### Kid's Garden Insect Hotel

The kids worked very hard to build and paint an Insect Hotel at the Kid's Garden on Furby St.

The Insect Hotel will be a place that many garden critters can overwinter. Bundles of dry twigs will be a great place for lady bugs!

A huge thanks to all the staff, volunteers and families who shared some spooky fun at our Family Halloween Party with pumpkin carving, face-painting and a Haunted House run by youth in SNA's Cultural Outreach program.

We joined Art City for their Robohop dance party and on Hal-loween night we gave out treats, and helped kids get their cos-tumes ready. After wrapping up our Kids Garden by harvesting potatoes and building a bug hotel, we turned it into a grave-yard full of scarecrows.

Let's Talk Science is back on Tuesdays with awesome experi-ments led by U of W student mentors at the Wii Chii-waakanak Centre.

Kids can learn physical literacy through gymnastics with our new Move Your Body program on Mondays. egister for our school year program!

Monday – Friday 4-6pm Sept until June  
Open to all kids 6-12 at no cost!

Special Thanks: Manitoba Indigenous Cultural Education Centre / Living Prairie Museum / Art City /David Heinrichs/ Manitoba Gymnastics Association / Winnipeg Harvest

#### Youth Crew

Wow, the leaves fell fast this year! Get them raked and bagged up before the snow flies with youth from our Youth Crew program. This program offers casual, hands on, paid work for youth ages 11-16 years. Friendly, eager, local youth trained and ready to go! Youth are able to help with outdoor projects such as yard work, staining, painting, flyering or other projects. We provide reasonable rates and friendly service. Contact Ana or Leslie at 204 783 0290 to arrange your work order.

#### First Jobs 4 youth

SNA's Youth Employment and Education Resource Centre is here for you! We provide assistance with your identification including: social insurance number, birth certificate, Manitoba medical etc., help to get your resume designed or updated or help with employment applications, registering for school or applying for university and college, certification in Emergency CPR/1<sup>st</sup> Aid and WHMIS, Workplace Safety and Health and Rights of the Young Worker, help opening bank accounts and employment and volunteer opportunities.

**CIYO**

**The Cultural Integration Youth Outreach (CIYO)** Project works with Aboriginal and Newcomer youth who are at risk of becoming involved in the criminal justice system or who are having difficulty successfully integrating into the community.

Our Junior staff have been busy helping out at a number of different community organizations this past month. The group helped to serve food at a Salvation Army Peace Days event, helped out with the Beading and Pow wow groups at Wii Chiiwaakanak and assisted during the community cleanup event. The youth have been very engaged in all activities and are building connections in the community.

If you would like to know more about CIYO, please contact Erin Oluyemi at [culturaloutreach@spenceneighbourhood.org](mailto:culturaloutreach@spenceneighbourhood.org)

#### Winnipeg Foodshare Co-op (Good Food Box)

The Winnipeg Foodshare Co-op is a community buying club that supports, when possible, local farmers. Great for people who are looking low cost and nutritious food! For more information contact Tanya at 204-783-2834 or email [greenimage@spenceneighbourhood.org](mailto:greenimage@spenceneighbourhood.org) or stop by the SNA office (615 Ellice Avenue).

# Community Garden

## Soil Information Session

Summer 2012 all of our community gardens had its soil tested. To hear the results of the test, learn more about the dangers of contaminants and to get a chance to ask your important dirt questions join us to learn about the condition of our soils.

WHEN:  
Thursday November 28 at 6:30pm

WHERE:  
430 Langside Street

This event is **Free**. Snacks will be provided  
Please phone Tanya at 783-2834 to register. If childcare is required please call 1 week in advance and we will provide it.

Thanks to Mark from the City of Winnipeg Water and Waste department and those that came out to Winnipeg 's recycling plant. It was a great time with lots of learning and first hand visuals

Did you know that what we recycle is based on demand for that resource? We are able to recycle all the things in Manitoba because someone is willing to pay for the resources. Our recycling goes to many different locations once its sorted and boxed up.

Fun Fact! Newspaper can be recycled up to 18 times before its too weak to use. That means you might be reading last weeks paper again! If you have questions about waste or recycling call 311 or contact Tanya. We have instructions on how to put out your rolly bins available at 615 Ellice Ave.
